

## Method of Draw and Draw Details

<b>Method of Draw</b>	Random number generator
<b>Draw device</b>	QOLGR-approved Drawmaster v1.1 program software (Approval No. 215376. Approval attached.)
<b>Pre-Draw Preparation</b>	<ol style="list-style-type: none"> <li>1. The number of sold tickets will be verified on the Jumbo Lottery Platform through a draw reconciliation report generated from the platform.</li> <li>2. The ticket numbers on the entry list will be validated to ensure they match the ticket numbers on the draw reconciliation report.</li> <li>3. TMS Global Services Pty Ltd will seek confirmation from XXXXXXXX before commencing the draw.</li> </ol> <p>A Jumbo team member will collate all pre-draw documentation and an additional team member will review and verify the documentation independently against the Jumbo Lottery Platform, to ensure all draw details are accurate.</p>
<b>How the full range of tickets are to be included in the draw</b>	A list containing all sold ticket numbers for the draw with a corresponding customer ID will be generated and uploaded to the RNG after validation.
<b>Selection of the winning ticket</b>	The winning ticket will be drawn using the RNG and will be validated against the Jumbo Lottery Platform by an additional team member and an appropriate witness if required.

<b>Draw conduct</b>	<ol style="list-style-type: none"> <li>1. The number of sold tickets will be verified on the Jumbo Lottery Platform through a draw reconciliation report generated from the platform.</li> <li>2. Once the entry list is validated the list will be uploaded to the RNG.</li> <li>3. A ticket number will be drawn by clicking the “Draw winner” button on the RNG.</li> <li>4. The RNG will show the winning ticket number and ticket status.</li> </ol> <p>A Jumbo team member will prepare the reconciliation report and entry list containing all ticket numbers for the draw and will conduct the draw by clicking the draw winner button on the RNG. An additional team member will review and verify the number of sold tickets and ticket number list independently against the Jumbo Lottery Platform to ensure all draw details are accurate and oversee and validate the draw.</p>
---------------------	---

<b>Draw supervision</b>	<ol style="list-style-type: none"> <li>1. The draw will be conducted at the venue as nominated and stated in the game's Terms and Conditions. The main draw venue is at Jumbo Interactive, Level 1, 601 Coronation Drive, Toowong QLD 4066.</li> <li>2. The draw will be conducted by a Jumbo team member.</li> <li>3. An additional team member will review and verify the process outlined above independently against the Jumbo Lottery Platform to ensure all draw details are accurate and oversee and validate the draw.</li> </ol> <p><b>Where required by operation of jurisdiction-specific legislation only:</b></p> <ol style="list-style-type: none"> <li>1. An independent, appropriately qualified witness and/or scrutineer will attend and witness the conduct of the draw.</li> <li>2. The drawn ticket number and status will be recorded by the witness for draw recording on pre-prepared documentation.</li> </ol>
<b>Verification and recording of winning ticket</b>	<p>The drawn ticket number and winner's details will be validated by Jumbo team members via the purchase report that the Jumbo Lottery Platform generates. The drawn ticket number and status will be recorded for draw recording in the Jumbo Lottery Platform.</p>
<b>Securing and storing the draw device</b>	<p>At the conclusion of the draw, and once all associated documentation has been validated and where relevant signed the results will be published on the XXXXXXXXXX website and the draw will be automatically marked as completed in the Jumbo Lottery Platform.</p>
